

REFERRAL LETTER
David Nash – Envy Homes

Date: May 14, 2010

To Whom It May Concern:

The purpose of this is to provide a referral letter for Mr. David Nash – Envy Homes. Dave recently built our home located on Donna Lane in Dryden Michigan. The home is a Victorian style home of 2700 sq. feet. Deciding on Dave to build our home was a great choice. We have not only experienced a relationship with a quality builder but one that truly cares about how the home is going to be built.

Dave has been great to work with. Whenever we had a question, I would send an email to Dave and usually received a response within minutes, no matter what day of the week. Communications were constant throughout the project.

The quality of the work is top notch. Dave only works with the best sub-contractors who take pride in what they are doing. Dave builds homes as if they were his own. When someone takes this type of pride in their work you know you have made a good choice.

My last comment is, in today's economy we are cautious who we choose to do business with, especially when we are looking at a project that is one of the largest financial decisions we make. Dave is a man of integrity and honesty. A very important reason we decided on Dave to build our home. During our initial interactions and several meetings prior to us signing a contract it was easy to see he had very high values and his business ethics were ones that we could trust.

In closing, I highly recommend David Nash – Envy Homes as a builder. We could not have had any better of an experience in building our new home.

Janet L. Ososki
